

## **Meeting Minutes 21 October, 2014**

### Discussed Junior Mad Scientist Day

- 27 October from 17:30-19:30 in Ag Heritage Park
- Club will have booth with power and access to outside for radio
- Prospective experiments: foxhunt (Zeb and Ben), how waves work (Chris), historic computers (Kyle), HF radio (Chase), and Morse keyers/circuits (SueAnne).
- Two or three other members plan on stopping by to volunteer.
- Nine event shirts needed.

### O-Funds

- Hearing later that night to request money for HackRF, ARRL books, and gel cell battery for Haley repeater.
- Could get money later in school year for Field Day, catered events, tailgate, or portable antenna.

### School Club Roundup

- Currently around 4,000 points
- This score alone would've placed us in the top 15 universities last year.
- Keep up the good work!

**Reminder:** tomorrow (Wednesday) at 18:00 is the license testing and upgrade in Broun 235.
