

NCAME Materials Plan:

As Part of the Efforts for NASA's Additive Materials Database

Material:

Heat-treatment Schedule

| Heat-treatment cycle | Temperature (°F) | Duration (hrs) | Cooling Medium | Comments: |
|----------------------|------------------|----------------|----------------|-----------|
| Stress Relief | | | | |
| Homogenization | | | | |
| Solution | | | | |
| Aging | | | | |
| | | | | |
